February 11, 2014

Newest members of the Disney royal family come to life at Build-A-Bear Workshop

ST. LOUIS (Feb. 11, 2014) - [Build-A-Bear Workshop](#)® is bringing to life the royal pets of the favorite Disney Princess characters with the first ever make-your-own Disney Princess Palace Pets collection arriving Feb. 15. The Palace Pets were inspired by the personalities and classic stories of the Disney Princess characters. Build-A-Bear Workshop stores nationwide will be celebrating the arrival of Ariel's kitten, Treasure, and Cinderella's puppy, Pumpkin, by inviting Guests to dress up as their favorite Disney Princess character. When Guests make Treasure and Pumpkin, they will participate in a special coronation ceremony and receive a personalized letter from one of the Disney Princess characters with fun facts and pet care instructions for their new furry friend.

"This new collection allows Guests to nurture and pamper the Disney Princess Palace Pets like never before," said Sharon John, Build-A-Bear Workshop Chief Executive Officer. "We are thrilled to give children the opportunity to bring these special characters to life and further extend the stories of their favorite Disney Princess characters in a way that only Build-A-Bear Workshop can."
