

Build-A-Bear Workshop® Opening in Tucson, Arizona at Tucson Mall on June 17, 2005!

May 26, 2005

ST. LOUIS, MO (May 2005) - Build-A-Bear Workshop®, Where Best Friends Are Made®, is opening a new location in Tucson, Arizona at Tucson Mall on Friday, June 17. Build-A-Bear Workshop is thrilled to be opening a store in Tucson and to offer Guests a unique and exciting entertainment retail experience.

Build-A-Bear Workshop is based on the premise that nearly everyone, regardless of age, has a special fondness for stuffed animals. When Guests visit a Build-A-Bear Workshop store, they enter a lighthearted teddy-bear-themed environment consisting of bear-making stations. Guests choose their furry friend to make, stuff it just right, and add personality with hundreds of outfits and accessories. The company is also known for the memorable heart ceremony that takes place during the bear-making process. This station allows Guests to choose a red satin heart, make a special wish and place it inside their stuffed animal.

As part of the grand opening, on Saturday, June 25, Build-A-Bear Workshop invites Guests to participate in Stuffed with Hugs Project Bearlift and make a bear for free. Two hundred bears will be donated to UNICEF for distribution to children affected by the Tsunami. Stuffed with Hugs™ began in 2001 and since then Build-A-Bear Workshop has donated over 125,000 bears to worthy causes. The purpose of Stuffed with Hugs is to give children a chance to help others.

Founder and Chief Executive Bear, Maxine Clark, knows what families want in a shopping experience, and the store is her response to happy memories of shopping as a child. The Build-A-Bear Workshop® innovative store concept takes children's interactive entertainment retailing to a new level, combining the process of making your own stuffed animal with the exciting atmosphere and fun of shopping the way it used to be. "When I was young, it was exciting for me to see all the decorations in the stores, and I loved every minute of it," says Clark. "That excitement was something I wanted to re-create for children and families today."

As Guests enter a Build-A-Bear Workshop store they are introduced to a variety of stuffed animals including bears, dogs, cats, bunnies, monkeys and a series of Beary Limited™ edition Collectibear® animals. Build-A-Bear Workshop stuffed animals are very affordable, ranging in price from \$10-\$25. Hundreds of coordinating outfits and accessories are also available to further personalize new furry friends. Guests in Tucson have the chance to show their team spirit by purchasing special bear-sized Arizona Diamondbacks uniforms, Tiny Tees® and accessories. In addition, Phoenix Suns Tiny Tees are available for all basketball fanatics!

Clark is looking forward to opening in Tucson. She notes, "Our plan is always to open in the premier malls across the country, and we will continue this approach as we open at Tucson Mall. We have many Guests who have visited our stores in Phoenix and other cities and personally written to me requesting a Build-A-Bear Workshop store at Tucson Mall. Now we will be able to reach even more of our friends in Tucson continuing our strategy to bring our stores to wherever families go to have fun," says Clark.

Community Partners

A major focus of the company is its continued commitment to causes that support children and animals. When Guests purchase any of the Build-A-Bear Workshop cause animals, which include Nikki's Bear II,

Read Teddy®, Bearemy Kennel Pals® dogs, and World Wildlife Fund Collectibear® friends, a portion of the proceeds go directly to charitable organizations. In addition to the cause-related animals, Build-A-Bear Workshop launched the Huggable Heroes™ program in 2004 as a way to recognize and honor young people that have impacted their own neighborhoods, schools and communities by giving of themselves to others. It is a program that empowers and inspires children to get involved as Build-A-Bear Workshop believes that young people can affect change. More information about the Huggable Heroes program is available online at <http://huggableheroes.buildabear.com>.
