

Build-A-Bear Workshop® is On The Move to Seattle And Reaching Out to Others Along the Way!

July 5, 2005

Build-A-Bear Workshop On Tour visits Bite of Seattle™, Guests are invited to make bears for free to support Food Lifeline.

ST. LOUIS, MO (July 5, 2005) - Teddy bears ride in style as Build-A-Bear Workshop® (NYSE: BBW) puts its interactive bear-making experience on wheels and travels to the Bite of Seattle™. Throughout this year, the award winning make-your-own stuffed animal retailer will take Build-A-Bear Workshop On Tour, a traveling Build-A-Bear Workshop store, to fairs, sporting and entertainment venues throughout the country.

Inspired by the company's dedication to being good community partners, Build-A-Bear Workshop On Tour invites the first 100 Guests to the store on Saturday, July 23, to make a bear for free to be donated to Food Lifeline. Food Lifeline is a local organization that provides nutritious food to hungry, low-income people in Western Washington through food banks, meal programs and shelters. As a special treat for hungry children, Food Lifeline will distribute the bears to their network of food banks who serve hungry families.

As Build-A-Bear Workshop On Tour travels the country, Guests are able to share the fun of creating special memories with their family and friends as they make their new stuffed animal. "It is our hope that by inviting Guests to make bears for free that we can provide an outlet for children to show they care, while enjoying one of their favorite events in Seattle," said Maxine Clark, Founder and Chief Executive Bear of Build-A-Bear Workshop. "We are excited to support Food Lifeline through this donation. In addition to providing food for children, the kids will also be comforted by a warm teddy bear." Guests who visit Build-A-Bear Workshop® On Tour are encouraged to use their imagination as they make their own stuffed animal. Guests will be able to choose from several animals ranging in price from \$10 - \$22, including Bearemy®, Lil' Carmel Cub, Marvelous Monkey, Shaggy Teddy, Border Collie and more. Guests will also have the chance to personalize their new furry friend by choosing from a variety of bear-sized clothing and accessories, such as special Build-A-Bear Workshop On Tour, University of Washington, Washington State University, Seattle Mariners and Seattle Supersonics bear-sized tees.
