

Build-A-Bear Workshop® Opening in Providence, Rhode Island at Providence Place on September 23, 2005!

August 30, 2005

ST. LOUIS, MO (August 2005) — Build-A-Bear Workshop®, Where Best Friends Are Made®, is opening a new location in Providence, Rhode Island at Providence Place on Friday, September 23. Build-A-Bear Workshop is thrilled to be opening the first store in Rhode Island and to offer Guests a unique and exciting entertainment retail experience.

Build-A-Bear Workshop is based on the premise that nearly everyone, regardless of age, has a special fondness for stuffed animals. When Guests visit a Build-A-Bear Workshop store, they enter a lighthearted teddy-bear themed environment consisting of fun bear-making stations. Guests choose their furry friend to make, stuff it just right, and add personality with hundreds of outfits and accessories. The company is also known for the memorable heart ceremony that takes place during the bear-making process. This station allows Guests to choose a red satin heart, make a special wish and place it inside their stuffed animal.

As part of the grand opening celebration, on Saturday, September 24, Build-A-Bear Workshop invites the first 200 Guests to participate in Stuffed with Hugs and make a bear for free. These bears will be donated to children in need. Stuffed with Hugs™ began in 2001 and since then Build-A-Bear Workshop has donated over 125,000 bears to worthy causes. Build-A-Bear Workshop is a store for, and about, kids and Stuffed with Hugs has allowed kids to put smiles on the faces of tens of thousands of other children. It is a simple, yet significant way for kids to help other kids and make a difference.

Founder and Chief Executive Bear, Maxine Clark, knows what families want in a shopping experience, and the store is her response to happy memories of shopping as a child. The Build-A-Bear Workshop® innovative store concept takes children's interactive entertainment retailing to a new level, combining the process of making your own stuffed animal with the exciting atmosphere and fun of shopping the way it used to be. "When I was young, it was exciting for me to see all the decorations in the stores, and I loved every minute of it," says Clark. "That excitement was something I wanted to re-create for children and families today."

As Guests enter a Build-A-Bear Workshop store they are introduced to a variety of stuffed animals including bears, dogs, cats, bunnies, monkeys and a series of Beary Limited™ edition Collectibear® animals. Build-A-Bear Workshop stuffed animals are very affordable, ranging in price from \$10-\$25. Hundreds of coordinating outfits and accessories are also available to further personalize new furry friends. Guests in Providence have the chance to show their team spirit by purchasing special bear-sized Boston Red Sox uniforms, Tiny Tees® shirts and accessories. In addition, Boston Celtics jerseys are available for all basketball fans and New England Patriots uniforms and sweatshirts are available for football fans!

Clark is looking forward to opening in Providence. She notes, "Our plan is always to open in the premier malls across the country, and we will continue this approach as we open at Providence Place. We have many Guests who have visited our stores in other cities and personally written to me requesting a Build-A-Bear Workshop store at Providence Place. Now we will be able to reach even more of our friends in Providence, Rhode Island continuing our strategy to bring our stores to wherever families go to have fun,"

says Clark.
