

Build-A-Bear Workshop Bear Hugs Foundation Awards Grant to Local Education Program

February 12, 2009

ATLANTA (Feb. 12, 2009) – The Build-A-Bear Workshop Bear Hugs Foundation is presenting The Marcus Autism Center with a grant for \$1,000 to support its efforts to work with children who have developmental disabilities and help these children realize their greatest potential, giving them and their families a higher quality of life. Funding for the grant is made possible with the help of Read Teddy® —a special furry friend available in all Build-A-Bear Workshop® stores. With the sale of each Read Teddy, \$1 is donated to worthy causes and programs that support reading and literacy for children.

“Education is crucial to every child’s success in life,” said Build-A-Bear Workshop Bearitory Leader, Michelle Thompson. “We are proud to partner with our Guests to help this organization provide students in need with resources to learn and thrive.”

Build-A-Bear Workshop has always had a strong commitment to leave a pawsitive mark on the world. Since its inception in 1997, the Company has donated over \$20 million to support causes related to children, animals and the environment, sharing the hug of a teddy bear wherever needed in local communities and abroad and recognizing kids doing great things.

About Build-A-Bear Workshop Bear Hugs Foundation

Build-A-Bear Workshop Bear Hugs Foundation is committed to making life more bearable for children, families, and pets in need of a helping paw. The Foundation makes grants to qualified non-profit organization that support the health and wellness of children and families, the care and welfare of animals, the preservation of the environment, and the promotion of literacy and education for all.
